**#1**

reason to switch cleaners: inconsistency

Industry surveys

## • What We Clean

### Classrooms & Play Areas

Tables, toy bins, art stations, cubbies, and floors. Sanitized daily so children play on clean surfaces.

### Kitchen & Eating Areas

Counters, highchairs, bottle stations, and floors. Same standard as classroom spaces.

### Washrooms & Diaper Stations

Child-height toilets, changing surfaces, disposal bins, and step stools. Fully disinfected each visit.

### Entry, Nap Rooms & Staff

Reception, crib frames, nap mats, and staff areas. Clean from the door to the back office.

*Checklist customized to your facility's layout, age groups, and operating schedule during the initial walkthrough.*

## • How It Works

1

### Walkthrough

We visit your daycare, assess every zone, and learn your schedule and requirements.

2

### Custom Quote

You get a clear, fixed monthly price. No surprises.

3

### Consistent Service

Same team, same checklist, same standard. Every visit.

## • What Makes NeatNow Different

- ✓ **Same team every visit**  
Your cleaners know your facility, your routine, and your standards.
- ✓ **Child-safe products**  
Fragrance-free, non-toxic, Health Canada DIN-verified. No aerosol sprays.
- ✓ **After-hours scheduling**  
We clean when children aren't present. No disruption during operating hours.
- ✓ **24-hour re-clean guarantee**  
Not satisfied? We come back and fix it, free.
